

Mordialloc-Braeside Junior Football Club Inc Registration Fees Payment Policy

MBJFC's Registration Fees are payable upon registration and can be paid online (preferred), by direct bank transfer or by EFTPOS at the Clubrooms.

All Registration Fees must be fully paid for before the commencement of Round 1 games, in the current season. Unpaid fees post this date could deem the relevant player ineligible to participate in games or Club arrange team/year level events, for Club awards or to receive end of season trophies, photos and year book. Registration for a new season could also be rejected if any prior season fees are still outstanding at the new season registration opening date. The MBJFC Committee reserves the right to apply these as deemed appropriate.

MBJFC understands that at times, financial pressure can apply to some families, and thereby are open to requests for some families to complete their payment using a payment plan. These requests are treated in the utmost confidence, and are handled by the Club's Treasurer and the Club's Registrar.

If a MBJFC member family requires a payment plan for the staggered payment/s of Registration fees, an email must be sent to the Club Registrar at registrations@mbjfc.net with the request. A payment plan will be discussed and determined in conjunction with the Club's Treasurer, and will be followed through on a regular basis until the full amount is paid.

The MBJFC Committee reserves the right to make changes to the payment terms and/or processes as it deems appropriate.
